NET '11 Meetings

The next satellite event in the Net '11 series started last night with Prophecies Decoded. Starting Friday, Sept 30th and ending Oct 29th, Dr. Ron Clouzet will share five nights a week (every night except Sun & Thurs) an outstanding Bible prophecy seminar.

Subjects include the books of Daniel and Revelation. The Antichrist, The Mark of the Beast, The Role of Israel at the end and many others. Thank you to the TACS students and Wanamaker Flames Pathfinder club who help put almost 1,000 brochures on doors around the church.

The strongest witness we can present to our community during Net '11 is our presence and participation in these seminars. Let our guests see that we care.

Wanamaker Flames Pathfinder Club

The Pathfinders had a busy month in September. The church family may remember the Pathfinder Sabbath which included Destiny's baptism. What a great day! That afternoon they went to the New Haven Church for a lock in and they began working on the Marching and Drilling and Knot Tying honors along with completing some of their classwork.

They also worked on a new honor from Florida called the Criminal Justice honor. Some of the upcoming honors include the camping skills honors and health & safety honors. The Bible Bowl team has started their study of 1 Samuel and Mark. They look forward to the hotdog fundraiser at the bonfire and hayride the 5th of November.

Topeka Adventist Christian School News

Officer Banks stopped by TACS on September 8 to teach us about fire safety. We practiced the “stop, drop, and roll” technique. Students enjoyed visiting the Topeka Zoo, on September 13, and petting a large snake, bearded dragon, and giraffe. Thanks, Ms. Shirley, for taking time to show the students around!

Trevor and Spencer’s grandparents gave us a tour of their farm. We learned about crop production and how farming incorporates technology; the students enjoyed a bumpy ride in the pick-up truck, traipsing through the woods, catching a snake (who now resides in Ms. Keri’s room), and riding the boat and go-cart. (Thanks, Grandpa Sil and Grandma Nancy!)

Recently, the Topeka Shawnee County Library awarded TACS the “2011 Grand Champion” trophy for having the highest percentage of students (out of ALL Shawnee county public and parochial schools) participate in the summer reading program. Currently, we are studying the human body. The more we learn, the more we agree with King David’s statement that we are wonderfully and awesomely made!

UPCOMING EVENTS

Prophecies Decoded

Each evening at 6:30pm (except Sun & Thur) through October 29th. This series is a full prophecy seminar including free programming for kids. Bring a friend and come dig deeper into the Bible.

No Board in October

Oct 8th Speaker - Elder Jim Glass

Oct 15, 22, & 28th Sabbath Service

- We will join the Prophecies Decoded seminar live starting at 9:30am. Children’s Sabbath School programs will still run, but the adult Sabbath School will be the live seminar.

Oct 30th - Annual skeet shoot at Lowen’s Farm. Watch bulletin for more information.

Nov 5th - Pathfinder sponsored Bonfire & Hayride. (this has been moved from it’s traditional date to accommodate the Net ’11 seminar)
